Project Architect

Smith Sinnett Architecture is seeking a Project Architect to join our growing team in Raleigh, NC. The ideal candidate should be ambitious and creative with a passion for quality design and exceptional client service.

Since our founding in 1976, our passion lies in providing innovative design solutions, with a focus on K-12 and higher education. As devoted members of our community, we also design civic, recreational, commercial, and residential spaces that promote productive, inviting, and sustainable environments. We are a tight-knit group of design professionals who value open communication and collaboration. Smith Sinnett is dedicated to improving life experiences through the design process.

Characteristics of an ideal candidate:

- Resourceful and creative, with a deep understanding of quality design, building systems, and construction
- Team player, respectful, thoughtful listener with a positive attitude
- Organized and thorough, with strong attention to detail
- Passionate about expanding expertise, striving to advance the profession
- Professional drive and ambition

Qualifications:

- Professional degree in Architecture
- 5 to 10 years of experience
- Architectural registration and LEED Accreditation preferred
- Experience in both new construction and renovation projects
- Skilled in design, modeling, and rendering
- Proficient in Revit, Adobe Creative Suite, and Sketchup
- Excellent verbal and written communication and presentation skills
- Self-motivated designer who thrives in an open studio setting

We offer a competitive salary based on experience, as well as a full benefits package. We are a diverse, small, woman-owned firm. Smith Sinnett Architecture is an equal opportunity employer.
