

ADVERTISEMENT FOR BIDS

The Craven County Schools will accept sealed bids from qualified single prime contractors for the **New Bern High School Doors Replacement Project**. The project location is at **4200 Academic Drive New Bern, NC 28562**.

Bids will be received by the County School system and publicly opened and read aloud at **2:00 p.m. on August 5th 2021** at the School's **Dining/Commons Area** located at **4200 Academic Drive New Bern, NC 28562**. No bid will be accepted after this time. Bids will be received for *Single Prime only*. All proposals shall be lump sum.

The project consist of replacement of approximately 80 doors and associated hardware at the New Bern High School in New Bern NC. The construction includes demolition and removal of the existing doors and installation of new doors and hardware into the existing hollow metal frames. The work shall also include sanding, priming and painting of the existing hollow metal frames, new hollow metal framing members and removeable locking mullions.

A complete set of plans may be received electronically by completing the Plan Request Form located at www.smithsinnett.com and then click on the DOCUMENTS Tab on the website.

Pre-Bid Meeting

A Pre-Bid Meeting will be held for all bidders at the proposed job site on **July 15th, 2021 at 1:30 p.m.**, in the Dining/Commons Area located at **4200 Academic Drive New Bern, NC 28562**. The meeting will address project specific questions, issues, bidding procedures, owner preferred alternates and bid forms. The meeting will continue thereafter where contractors will be permitted to walk the project site.

Owner Preferred Manufacturer Alternate Meeting

An Owner Preferred Manufacturer Alternate hearing will be held for all bidders at the proposed job site during the Pre-bid Meeting.
